In **Kobolds & Catacombs™**, the new expansion for Blizzard Entertainment's smash-hit digital strategy card game **Hearthstone®**, Azeroth's boldest adventurers will embark on an unforgettable expedition inspired by the classic **fantasy dungeon crawl**. Players will delve deep into the vast underground caverns unearthed by those notorious, pesky Kobolds, where they'll discover all manner of treacherous traps, long-forgotten monsters, and glorious treasure with **135 new cards to collect**.

DELVE INTO THE UNKNOWN

The Kobolds have been digging beneath Azeroth for thousands of years, and along the way they've discovered ancient artifacts—and terrifying monsters. Intrepid explorers who fully explore the dungeons will surely discover treasure beyond imagination . . . if they survive! **Dungeon Runs** are a new single-player mode coming with **Kobolds & Catacombs** where you'll defeat dastardly bosses and collect their loot to build a deck that will keep you alive as you go deeper and deeper into the catacombs.

- **CHALLENGING** – Tread carefully, because losing just one match will end your Dungeon Run!
- **REPLAYABLE** – 48 unique encounters and a huge assortment of new cards were created just for this mode.
- **COMPLETELY FREE** – No purchase required; build a deck worthy of a hero with cards you find along your run.

LEGENDARY TREASURES AWAIT

- **NINE LEGENDARY WEAPONS** – The arms race is on! **Every class** gets a Legendary Weapon, and all players get one **free at launch!**
- **UNIDENTIFIED MAGIC ITEMS** – These mysterious cards gain new powers when they enter your hand.
- **SPELLSTONES** – Play your Spellstone immediately, or empower it by fulfilling specific actions for a greater effect.

Shortly after BlizzCon 2017, all players will receive a **free Legendary Minion: Marin the Fox**. Once played, **Marin the Fox** will summon a Treasure Chest for your opponent. Break the chest to score awesome loot! In addition, BlizzCon attendees and Virtual Ticket holders will receive a Golden version of this dashing adventurer!

CALLING ALL HEROES

It's not safe to go into the catacombs alone! When a card with the new **Recruit** keyword is played, a random minion from your deck is summoned to fight alongside the rest of your party!

Eager treasure-seekers can pre-purchase a **Kobolds & Catacombs** bundle of 50 cards packs for a special one-time price of 49.99 USD (69.99 CAD for iOS and Android only starting November 6) and receive a shiny **Kobolds & Catacombs** card back adorned with golden coins.

Gather your party—**Kobolds & Catacombs** will launch this December.
