

MIKE DONAIS
Lead Set Designer
Blizzard Entertainment

As a Lead Set Designer on Blizzard's *Hearthstone* team, Mike Donais helps bridge the gap between Initial and Final design and guides the overall design of *Hearthstone* cards.

Mike joined Blizzard Entertainment in 2013 after serving as Senior Designer on *Marvel Heroes* at Gazillion Entertainment. He was also Design Director for the *World of Warcraft Trading Card Game* at Cryptozoic Entertainment. Before that, at Wizards of the Coast, Mike was a Senior Game Designer for 10 years, and helped design *Magic: The Gathering* and *Dungeons & Dragons*, among other projects.

Mike is a competitive gamer who began his career in game design as a pro TCG player. In his spare time he enjoys card games and pro gaming. He also holds a Bachelor's degree in Computer Science.
